

Opportunities for Foreign Investment in Myanmar State Enterprises

The Myanmar Government has increased privatization efforts. A total of 115 factories in 21 different industries located all across Myanmar are now opened to foreign investments. Food, textile and consumer goods factories represent huge investment opportunities. Tire and rubber, paper and plastic factories are also up for privatization.

Out of the 115 factories under the Ministry of Industry, 58 are already opened for Public Private Partnership (“**PPP**”), 19 are for Expression of Interests (“**EOI**”) and 38 will remain as State-owned Enterprises (“**SOE**”) as shown in the table below.
