### **LawPlus Ltd. Joins Meritas, a Global Alliance of Independent Business Law Firms**

*Affiliation offers clients access to quality legal expertise around the globe*

We are pleased to announce we has been invited to join Meritas, a global alliance of independent business law firms founded in 1990. The affiliation offers LawPlus Ltd. access to nearly 8,000 lawyers in 248 markets worldwide. Our clients can now obtain legal counsel across borders, with the convenience of working with us as its local contact.

“It is a great honour and pleasure to join Meritas and to expand our network with the members in other countries”, said Kowit Somwaiya, Managing Partner. “We will be able to offer our clients a full range of legal services across core practice areas with high quality to clients globally through Meritas.”

Meritas is the only law firm alliance with an established and comprehensive means of monitoring and enhancing the quality of its member firms. Meritas membership is extended by invitation only, and firms are regularly assessed for the breadth of their practice expertise and client satisfaction. Only firms performing under the tenets of Meritas’ unique [Quality Assurance Program](#) are recertified as members. This ensures that clients receive the same high-quality legal

work and service from every Meritas firm.

“Members join Meritas to help their clients increase efficiencies when navigating global opportunities and challenges,” said Sona Pancholy, president of Meritas. “In-house counsel at companies that are growing globally are under increased pressure to find trusted resources in specific markets that are cost-effective and right-sized, and access to knowledge on specific issues. Through Meritas, they can draw expertise from anywhere in the world, to apply to their situation.”
